This means an H06 policy should be obtained by the unit owner.

BUCKINGHAM OAKS CONDOMINIUM ASSOCIATION

3/7/2022 – 3/7/2023 INSURANCE NEWSLETTER

Annually your Board of Directors purchases insurance for the condominium association that covers the buildings, personal property of the association, general liability on the common areas, fidelity coverage and directors' and officers' coverage. As unit owners, it is important that you maintain your own insurance to cover unit items that are your responsibility as detailed in Buckingham Oaks Condominium Association's declarations, your personal property and liability exposures that are not covered under your association's master insurance policy.

If there were a covered property loss at Buckingham Oaks Condominiums, the master association's policy would rebuild the basic structure. **Page 18 (e) defines the insurance responsibility for the owner; specifically: "Insurance coverage on improvements and fixtures installed by an Owner and furnishings, including carpet, draperies, oven, range, refrigerator, wallpaper, disposal and other items of personal property belonging to an Owner, and public liability coverage within each Unit shall be the sole and direct responsibility of the Owner thereof..."**

When obtaining an individual unit owner's insurance policy, if living in the unit, you need to obtain an HO6 (Condominium owner's) policy. The HO6 should include these four basic coverages: unit coverage, personal property coverage, liability coverage and loss assessment. The unit coverage should cover items specified in the declarations as the responsibility of the unit owner including carpet, window treatments, oven, range, refrigerator, wallpaper, disposal and any improvements/betterments made since original construction. Personal property coverage should include all furnishings and clothing. This coverage should be written on a replacement cost basis. Make sure the limit is adequate to cover the replacement of all your furniture, clothing, kitchen wares including dishes, pots and pans, CDs, towels and linens etc. The unit owner needs to purchase liability insurance for anything that occurs within their unit. When someone enters your unit, the liability exposure becomes yours. **Finally, loss assessment coverage applies if you are assessed by the association for an underinsured covered claim or the deductible portion of a claim. The association has a \$10,000 property deductible and a 5% wind/hail deductible which could result in an owner being assessed up to \$8,430. To raise your loss assessment to \$10,000 should cost minimum annually. Make sure to check with your personal lines agent to see what is available and that there are no sub-limits or special endorsements needed to cover this deductible as well as the \$10,000 property deductible.**

If renting the unit out, you need to purchase a rental condominium policy (landlord's policy). The landlord's policy should offer unit coverage, personal property coverage, liability coverage as well as a loss of rents in the event the unit must be vacated while it is being repaired/rebuilt.

We recommend that each unit owner take pictures or videos of the inside of your home and store them somewhere away from your home. In the event of a loss, this makes claims handling much easier.

If you have questions regarding the association's insurance you can reach our agent, Pat Wilderotter, at 720-212-2065. **To request a certificate of insurance, please email your request to certificate@thinkccig.com or fax your request to 303-799-0156 attn: HOA Dept.**
